

Federally Insured by NCUA.

Date Received <hr/>

Donation Request Form:

Ozark Federal Credit Union is a not-for-profit financial institution serving the following Missouri counties: Butler, Carter, Dunklin, Ripley, Stoddard, and Wayne.

We live by our industry motto: "People helping people" in its truest form. We receive numerous requests a month within our six counties and try to budget for requests that come in from each area. Due to the volume of request, we had to set criteria and start an application process to fund the donations as best as possible.

Before submitting your request, please make sure the following criteria are met.

- The request must be from one of our six counties listed above and the benefit is within these six counties.
- Must have an active, registered 501c3.
- Or Must be from a school within our six counties. Please note, applications for yearbooks, clubs, sports, and cheer take longer to process.
- **Requests must be submitted within six weeks of the event requesting funds or sponsorships.**

Information needed in submission:

Organization requesting funds. _____

Contact persons information, I.E. Name, Phone Number, Address to mail check. _____

Event: _____

Date of Event: _____
