With TotalRestart There's No Worry

TotalRestart Goes Beyond Traditional Gap

GAP is a smart option, but only helps eliminate the difference between what you owe and what your insurance company says your vehicle is worth.

GAP can help pay off your loan, but you're still without a car!

TotalRestart is designed to go beyond GAP and may provide a credit towards your next loan with us for your replacement vehicle if it's stolen or damaged and declared a total loss.*

When you finance your next auto with us and add GAP to your loan, you'll have the peace of mind of knowing that if your car is deemed a total loss, you may be eligible for a credit toward the replacement cost of a similar vehicle.*

Primary insurer pays: \$18,000 (You still owe \$3,000)

GAP pays: \$3,000 (You break even)

TotalRestart pays: \$4,000

Total available: \$25,000 (You get a new car!)
